

GIVE YOUR FLEET THE EDGE

THE FLEET ONE EDGE OVER-THE-ROAD FUEL CARD

The new Fleet One EDGE card is jam-packed with all the features you want and need in a fuel card.

As a fleet owner, we know the trucking business can be tough. That's why we've created a new OTR fleet card to **give your business an EDGE**. Get the credit to fund your operations, and the financing solutions to help you grow:

Fuel discounts at over 3,600 sites

Average savings of 12¢ per gallon*

No fuel transaction fees in the EDGE network**

Universal acceptance at over 8,000 truck stops nationwide

Nationwide discounts on major tire brands

Additional savings on wireless plans, repairs, hotels, and more

Contact your Fleet One EDGE Sales Representative today.

In a world of tight budgets and schedules, every dollar and minute count towards giving your fleet the edge.

That's why we are introducing the new **Fleet One EDGE** card to give your fleet the ability to go that extra mile.

Apply now and get access to one of the largest nationwide fuel discount networks available, with thousands of additional savings to keep your fleet moving forward.

*The stated savings is based on the average discount available to Fleet One EDGE customers across all participating Fleet One EDGE merchants during a recent survey period, and does not represent a guarantee of future pricing. Customers' expected savings may differ depending on location. Additionally, the card is accepted at locations that do not participate in the Fleet One EDGE network pricing at all.

**In-network sites include Pilot Flying J, AMBEST, Circle K, Quick Fuel, Petroleum Wholesale, and many more.
